PLASTIC HOUSEHOLD UTENSILS COLLECTION

Ideal Lock Co. Ltd.

Since 2011, we established as an manufacturer of plastic household utensils,which is specialized on doing OEM and ODM products and exports our products worldwide through exporters. We have over 400 existing open items for your selection. Utilizing our specialized production plants,quality management and experienced workforce,we committed to offer products with good quality,competitive price and on-time delivery,and hence gained high reputation in the industry.

Production Plant in China

Our factory occupies over 58,000 square meters, of which around 20,000 square meters is the plant area with workforce of more than 200 workers. With the support of advanced mold making equipments and design software like CAD, Pro/E, UG, our design and production team develop high quality products with outstanding and timeless designs.

High Quality Management

We export high quality products to overseas markets globally for over 6 years and are used to conform to the international standard as required by various markets.

Experienced and Highly Skilled Workforce

To ensure our team to acquire new skills and thorough understanding of customer requirement,we also offer professional training and rotate their duties periodically.Having combined the advantages of overseas market proficiency,good quality management with cost-efficient production facilities,our experienced team is able to offer a blend of quality and price for you.We hope we could get an opportunity to cooperate with you and become your major supplier in future.
